Request

You asked us:

"Please can you advise if you have a list of the Local Authority's who still do not have an FOI Disclosure Log"

We have handled your request under the Freedom of Information Act 2000 (the FOIA).

Our response

We can confirm that we do not hold information within scope of this request.

The ICO does not actively collect information about whether individual public authorities publish their FOI responses in a form of disclosure log. As such, the ICO does not maintain a list or other data set that tracks this information, either as it applies to local authorities or any other form of public body.

Next steps

You can ask us to review our response. Please let us know in writing if you want us to carry out a review. Please do so within 40 working days.

You can read a copy of our full review procedure here.

If we perform a review but you are still dissatisfied, you can complain to the ICO as regulator of the FOIA. This complaint will be handled just like a complaint made to the ICO about any other public authority.

You can raise a complaint through our website.
